

## Its a great start

Contributed by Katrina Miller

Hello everyone, This is an archive document.

Just a quick update of what is happening in the world of Grace Seedlings.

On Tuesday, Ross Desiree and myself went along to the Football Club house on the memorial field, (near the old swimming pool) and met a lovely chap who is more than happy to let us use it for our young tots.

The place is lovely; it's clean, warm, and practical. There is even a door on the kitchen to protect our babe's precious little fingers from the boiler which will be constantly on the go!

Ross will still be making her world famous hot sausage rolls, and I am going to talk her into doing a few cakes and bits for those of us with a sweet tooth.

The children of course will have a selection of healthy fruit, we don't want to be responsible for tooth decay in our youngsters!

So, if you are passing on a Tuesday morning and the wonderful aroma of coffee greets you, pop in and see us. We will be very pleased to see you.

-----

We are no longer at the Football club as we grew too quickly for the centre.

We are now at Stowbridge community Centre, Stowbridge, Downham Market. The same place where our church is held on Sundays.

Please come along and join in, you never know you may even enjoy it?

God bless,

Jo
