

All Children Welcome

Contributed by Katrina Miller

All children are welcomed to our Sunday Morning Services. The children join in with the worship and then the 3-11s have their own special time together where they can have fun, learn more about God and the Bible and enjoy games, crafts and sometimes even food!

We hope all the children will have an enjoyable time whilst learning to care for others within the church and within the community.

We now have a "creche area" for those under 3s. This is within the church area allowing the parents to still join in and enjoy the service while their little ones are kept occupied.
