

## Soul Survivor

Contributed by david usher

Grace Community Church Downham Market will be attending Soul Survivor again this year 2008. We will be going on Monday 11th August and will be arriving back home on Saturday 16th August 2008. It is to be held at The Royal Bath and West showground, Somerset. It's a great time for young people to build relationships with others and with God. For those that have not been before it is truly, an amazing, awesome experience not to be missed. Check out the 'Grace weblink' through our 'resources' link for more details and in-depth reading and plans for the whole event. For information please contact the church office, through the 'about us' link.
