A children's club for all primary school aged children, held at Stow Bridge village hall, Stow Bridge, Near Downham Market, Norfolk. Every Friday from 6:00pm till 7:15pm

The aim of the club is to allow the children to have fun and enjoy being with friends and making new friends as well as learning about God and his love for everyone.

We usually start off the evening with some fun singing and dancing and then we have time for the children to join in with lots of activities, there are crafts, games, quizzes and there is even a tuck shop.

At the end of the evening we have a short 'talk time' where one of the leaders or an invited guest will share something of Gods word.

The club as been running since thee end of October 2007 and is growing steadily, all the children seem to have a great time, and they must do as they keep coming back.

For futher information and enquiries, about this club or any other events for children held by Grace Community Church, Downham Market, please go to 'about us' and follow our link to 'contact us' and click on Katrina Miller.
