

Care for Kuffu

I was delighted to have successfully completed the Stradbroke triathlon on May 19th. For those that are interested, I was 65th out of 99! This has raised just over £400 towards the medical centre we are fundraising for at Kuffu, Uganda. I'm really grateful to friends, family and church members who sponsored me, and also to staff and patients who gave generously as well. The GoFundMe page will stay open for a little bit longer: if you'd like to donate, once at the GoFundMe page search for "Care for Kuffu".

A big thank you A J and well done.

Here we have a picture sent from Samuel of the work in progress of the new visitor's kitchen. It is looking good and it is clear that they have been working hard. We are looking at putting together a booklet that will update you on the progress made at Kuffu and will answer some of the questions you may have

Soft Play at Zoom

We were pleased to get a couple of families along for the second session. The children had a lot of fun and the grownups had a lot of really good conversation about joy and what church is for. We're looking forward to the next session on June 16th Please let Rosemary know if you are going text 07950296214 or email: rosemary@neldefant.com
